- Can ice. *See* Ice, manufactured.
- Canada, cotton consumption, compared with other countries, 11; number of cotton spindles, 12; exports to, of rice and rice products, 436; ice, 501; unmanufactured woods, 622; newspapers and periodicals, by states, 736; imports from, of rice and rice products, 437; logs and round timber, 623; boards, planks, and deals, 623; turpentine, 654; rosin, 655.
- Canaigre, use in tanning, 273.
- Cane sugar, commercial production, 451.
- Canning and preserving, fruits and vegetables, fish, and oysters, comparative summary, 391; summary for United States, 392; exports, 393; imports, 393. *See also* Fruits and vegetables, Fish, and Oysters.
- Capital, summary of amount of, invested in combined textiles, by industries, 4, 5; not including flax, hemp, and jute products, 13; cotton manufactures, 26, 28; lace and lace curtain manufactures, 35; upholstery, 36; cotton goods, 47; cotton small wares, 55, 56; hosiery and knit goods, 62, 63, 68, 74; wool manufactures, 87, 89, 120, 128; worsted goods, 111, 136; woolen goods, 112, 138; carpets and rugs, other than rag, 112, 146; felt goods, 114, 148; wool hats, 114, 150; felt hats, 114, 152; shoddy, 116, 117, 154; wool scouring, 118, 156; wool pulling, 118, 157; silk manufactures, 161, 173, 175, 181; flax, hemp, and jute products, 187, 188; jute and jute goods, 190; cordage and twine, 190; linen goods, 191; dyeing and finishing textiles, 196, 198, 200; buttons, 207, 210; needles, pins, and hooks and eyes, 215, 217; oilcloth and linoleum, 221, 222, 225; boots and shoes, 229, 230, 233, 236, 246; leather, tanned, curried, and finished, 257, 260, 267, 278; leather gloves and mittens, 293, 296, 297, 298; butter, cheese, and condensed milk, 305, 307, 316; butter, 324; cheese, 332; condensed milk, 336; flour and grist mills, 343, 344, 345, 346, 356, 368; starch, 383, 387; canning and preserving, fruits and vegetables, fish, and oysters, 391, 396; fruits and vegetables, 400, 402, 405, 408; fish, 416, 417, 420; oysters, 422, 423, 425; rice cleaning and polishing, 433, 438, 441; beet sugar, 445, 446, 454; slaughtering and meat packing, 459, 460, 461, 463, 464, 484; slaughtering and meat packing, refined lard and sausage, 460; slaughtering and meat packing, wholesale, 472; slaughtering, wholesale, 480; manufactured ice, 495, 498, 500, 504, 508; salt industry, 515, 516, 517, 522; cottonseed products, 538; tobacco, 553, 554, 556, 557, 560, 561, 564, 576; lumber and timber products, 624; timber lands, 640; turpentine and rosin, 649, 650, 651, 656, 657; paper and wood pulp, 661, 664, 666, 686; printing and publishing, 702, 703, 707, 708, 753; book and job printing, 713, 714, 715, 716, 760, 766, 800; newspapers and periodicals, 720, 724, 770, 812; pens and pencils, 827; glass manufactures, 837, 860; clay products, 877; brick and tile, 898; pottery, terra cotta, and fire clay products, 910.
- Card and bristol boards, production of, by quantity and value, 669. *See also* Paper and wood pulp.
- Cardigan jackets, sweaters, etc., quantity and value, 66, 82.
- Carding mills, number, 91.
- Cards, number employed, in manufacture of hosiery and knit goods, 64, 68, 74; in wool manufactures, 91, 92; classified by width, 92, 93.
- Carpet wool, imported, sources of, 101; quantity and value, 103.
- Carpets and rugs, other than rag, raw fibers and yarns used in manufacture of, 8; number of square yards produced, 9; effect of Russo-Japanese war on industry, 85; rank of leading states according to value of product, 87, 104; total horsepower, 90; horsepower per wage-earner, 90; number of spindles, 94; materials used, by kind, quantity, and cost, 95, 98, 99, 113; statistics of establishments manufacturing, summary, 112, 128, 146; classification of looms, 113.
- Carpets produced, kind, quantity, and value, 108, 109. *See also* Carpets and rugs.
- Carré, Ferdinand, system of manufacturing ice, invented by, 502.
- Casein, uses of, 312. *See also* Butter, cheese, and condensed milk.
- Cash and sundries, capital of cotton mills, 47.
- Cedar, average value per thousand feet, 598; quantity and value sawed, 607; shingle production, 611; quantity of standing, 641.
- Central America, exports to, of rice and rice products, 436; unmanufactured woods, 622; turpentine, 654; rosin, 655; imports from, of rice and rice products, 437.
- Champlain, N. Y., exports of rice, 438; turpentine and rosin, 653.
- Charleston, S. C., exports of rice, 438; turpentine and rosin, 653.
- Charlestown, Mass. *See* Boston and Charlestown.
- Chatard, Dr. Thomas M., operations of salt grainers in Pomeroy, Ohio, described by, 530.
- Cheese, quantity and value, by leading states, 309; number of factories, 310; imports and exports, 311; average number of wage-earners employed in factories, 314; statistics of establishments manufacturing, summary, 332. *See also* Butter, cheese, and condensed milk.
- Chemicals and dyestuffs, quantity and cost in manufacture of cotton goods, 53; cotton small wares, 58; wool manufactures, 99; in textile establishments, 196.
- Cherries, canned and preserved, quantity and value, 410.
- Chestnut, average value per thousand feet, 598; quantity and value sawed, by states, 608.
- Chewing tobacco. *See* Tobacco, chewing and smoking, and snuff.
- Chicago, Ill., concentration of printing and publishing industry, 712; circulation of monthly publications, 750.
- Children under 16 years. *See* Wage-earners and wages.
- Chile, imports from, of wool, 101, 102; rice and rice products, 437; exports to, of rice and rice products, 436; cottonseed products, 547; turpentine, 654; rosin, 655.
- China, cotton production and consumption, 12; number of cotton spindles, 12; effect of Boxer rising on cotton manufacture, 20; exports to, of cotton cloth, 25; cottonseed products, 548; turpentine, 654; rosin, 655; imports from, of wool, 101, 102; rice and rice products, 437; raw silk production, 178, 179; importance of rice industry, 439.
- China, Russian, exports to, of rice and rice products, 436. *See also* China.
- Chinaware, average cost per ton of clay purchased for, by states, 883. *See also* Clay products.
- Chinese Empire. *See* China.
- Chrome tannage, description of process, 274.
- Cigarettes. *See* Cigars and cigarettes, and Tobacco.
- Cigars and cigarettes, statistics of establishments manufacturing, summary, 554, 556, 557, 564; cost of materials used, 559; value of products, 559; number withdrawn for consumption, by years, 560; classified for internal revenue taxation, 560.
- Circulation of newspapers and periodicals, summary, 730, 733, 814; growth, 732; in foreign countries, 736; average and aggregate, by states, according to period of issue, 786; according to character of publications, 798. *See also* Newspapers and periodicals.
- Cities, specified, statistics concerning, in boot and shoe industry, 239, 240; leather, tanned, curried, and finished, 269; flour and grist mills, 349; slaughtering and meat packing, 464; ice manufacture, 500; book and job printing, 717, 766; daily newspapers, 743; circulation of monthly publications, 750.
- Clay products, statistics of establishments manufacturing, summary, 877, 878, 881; rank of states, by value of, 880; cost of materials used, 881; products, 881, 884; value of exports, 885; of imports, 885. *See also* Brick and tile, and Pottery, terra cotta, and fire clay products.
- Clothing, ready-made, value of imports, 22, 103; of exports, 23.
- Cloths, quantity and value of imports, 22; of exports, 23, 24, 25.
- Cocoons and noils. *See* Waste silk, cocoons, and noils.
- Codfish, quantity and value salted, 419.
- Cold air system, description of, used in manufacture of ice, 502.
- Colombia, imports from, of wool, 102; exports to, of rice and rice products, 436; cottonseed products, 547; turpentine, 654; rosin, 655.
- Colorado, rank in beet sugar industry, 447, 453. *See also* States and territories.
- Colt skins. *See* Hides and skins.
- Combined textiles, sketch of industry, 3; statistics of establishments manufacturing, summary, 4; number of establishments, 5; capital employed, 5; wage-earners and wages, 6; materials used, 7; products, 8; consumption of domestic and foreign goods, 9; rank of United States in textiles, 10; of foreign countries, 11; by cotton consumption, 11, 12; by wool, 12; by silk, 13. *See also* specified industries.
- Combing machines, number employed, in manufacture of hosiery and knit goods, 64, 68, 74; in wool manufacture, 91, 93, 120; in worsted mills, 111.
- Compositors, hand, number of, in book and job printing, 761; newspapers and periodicals, 770.
- Compressor system, in ice manufacture, 496, 502.
- Condensed milk, quantity and value of products, by states, 309; number of factories, 310; average number of wage-earners, 314; summary, 336. *See also* Butter, cheese, and condensed milk.
- Connecticut. *See* States and territories.
- Cooperage materials, kind, quantity, and value, manufactured in principal states, 612.
- Cordage and twine, summary of establishments manufacturing, 190.
- Corduroy, cotton velvet, and plush, quantity and value, manufactured in cotton mills, 34, 53.
- Corn, canned, quantity and value, by states, 406, 410.

- Corn products, summary of establishments manufacturing, 352.
- Cornstarch, quantity and value, manufactured in starch factories, 384, 385.
- Corpus Christi, Tex., exports of rice, 438; turpentine and rosin, 653.
- Costa Rica, exports to, of cottonseed products, 547.
- Cotton, total amount consumed, by decades, 7; in each industry, 8; in foreign countries, 11; in southern mills, 28; cotton mills, 31, 32; per spindle, 42; mills manufacturing cotton small wares, 55; hosiery and knit goods, 82; in wool manufactures, 98, 99.
- Cotton goods, statistics of establishments manufacturing, summary, 4, 26, 47; of materials and products, 52; average number of wage-earners, 6, 7; quantity of raw fibers and yarns consumed in manufacturing, 8; number of square yards produced, 9; fluctuations in manufacture, 19; foreign trade in, 21, 25; quantity and value of imports, 22; of exports, 23; English trade in, 25; general progress of industry, 26; geographic distribution, 27; capital employed, 28; employees and wages, 28; miscellaneous expenses, 30; materials used, 31, 32; products, 34; dyeing and finishing, 36, 37; fineness of goods, 37; power, 39; machinery, 39; number of spindles, 40, 41; consumption of cotton per spindle, 43; number of spindles to each wage-earner, 42; labor cost per spindle, 43; looms, 44; classification of mills according to machinery, 46.
- Cotton manufactures, capital invested in, 5; value of products, 9; cost of materials, 9; value of exports, 10; of imports, 10; silk yarn used, 166; cost of chemicals and dyestuffs, 196; dyeing and finishing, 200. *See also* Cotton goods and Cotton small wares.
- Cotton mills, spindles used in, by number, 40; by kind, 41; machinery used, 45.
- Cotton piece goods, amount dyed and bleached, 195.
- Cotton, sewing, quantity and value, manufactured, 34.
- Cotton small wares, statistics of establishments manufacturing, summary, 4, 55, 56, 57; of materials and products, 58; wage-earners and wages, 6, 7, 55; quantity of raw fibers and yarns consumed, 8; of raw cotton, 32; number of spindles in factories producing, 40, 55; materials used, 55.
- Cotton yarn, used in cotton goods establishments, by quantity and cost, 33, 52; in lace and lace curtain manufactures, 35; in upholstery, 36; in cotton small wares, 58; in hosiery and knit goods, 65, 66, 69, 82; in wool manufactures, 95, 99, 105; in silk manufactures, 167; amount dyed and bleached, 37, 195.
- Cottonades, quantity and value, manufactured in cotton mills, 34, 53.
- Cottonseed products, early history of industry, 537; statistics of establishments manufacturing, summary, 538, 542; cost, quantity, and value of, per ton of seed crushed, 544, 546; quantity and value of exports by countries, 547, 548; description and uses, 549.
